

The 2nd Annual

Wes Gavett Golf Tournament

Presented by Waste Connections and hosted by Beaver Chapter

Tee it up at Stone Creek for the 2nd Annual **Wes Gavett Memorial Golf Tournament**, hosted by SWANA Beaver Chapter!

Join Wes' friends, co-workers, and colleagues for a fun day of golf and long-awaited networking with professionals in the solid waste industry at one of Wes' favorite golf venues to support the memorial charity fund established by the SWANA Beaver Chapter in Wes' name.

The tournament will be a "best ball" (scramble) format, allowing golfers of all abilities to have a great time.

14603 South Stoneridge Drive
Oregon City, OR 97045

Schedule

12:00pm **Check In**

12:30pm **Lunch**

1:30pm **Shotgun Start**

6:30pm **BBQ & Awards**

More than a golf tournament

The Wes Gavett Memorial Golf Tournament is not only a friendly game of golf to honor our friend and colleague Wes Gavett, but also a fundraiser for SWANA Beaver Chapter's **Wes Gavett Memorial Fund**. Money from this fund is directed towards charitable organizations focused on supporting children and families in need, with input from Wes' family. Funds raised from the inaugural event held in 2019 totaled \$17,000 and were donated to **The Small Steps Project** and the **Oregon Food Bank**.

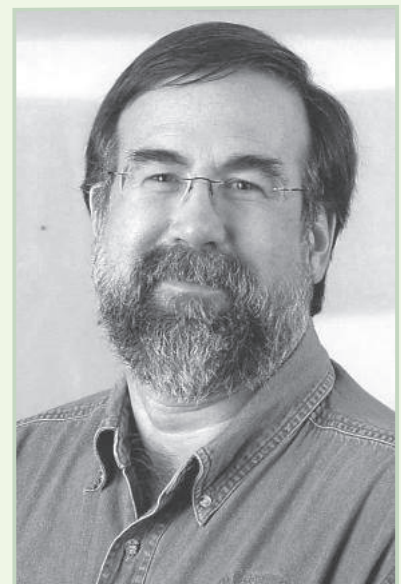

The Small Steps Project is a humanitarian organization and UK-registered charity supporting children and their families living on garbage dumps through the world, with 100% of public donations spent on shoes and emergency aid. The \$10,000 donation given to The Small Steps project was used to construct a water treatment facility at one of the landfills they are involved with in Africa.

The Stone Creek Golf Club was Wes' home course where he played hundreds of rounds of golf, was a long-time member of the Men's Club, and had one of his two holes-in-one. The tournament will be held as a shotgun event with groups of golfers all teeing off at the same time on different holes. A buffet dinner and awards ceremony will follow.

About Wes

Over the course of his 35-year-long professional career as a consulting engineer (1985-2005) and Regional Engineering Manager for Waste Connections (2005-2018), Wes' work focused on all aspects of the solid waste industry and included active participation in SWANA.

Since arriving in the Pacific Northwest in 1994 when he joined EMCON's Portland office, and throughout his professional career since then—including his tenure at Waste Connections since 2005— Wes was instrumental in advancing the Oregon Beaver SWANA Chapter through his leadership as past president, International Board Representative, and Board Member. Wes' leadership was essential in organizing and coordinating the Beaver Chapter's Technical Symposium and played a key role as Symposium Director in moving the event to the McMenamins' Edgefield facility where it continues to be a great success to this day.

Sponsorship Opportunities
