

May 1st – 3rd, 2024

2024 Northwest Regional Symposium

Innovation: Shaping the Future of Materials Management

Hosted by The Beaver Chapter of SWANA

The Beaver Chapter of SWANA is making plans for the Northwest Regional Symposium. The event will be held at McMenamins Edgefield in Troutdale, Oregon May 1st-3rd of 2024.

The theme for this event is “Innovation: Shaping the Future of Materials Management.” We are planning to host the usual Wednesday evening social and golf tournament as in previous years. The Thursday night social event will be Wild Bills Casino Night.

We invite you to sponsor the event or encourage the businesses that you work with to become a sponsor of the event. Attached is a spreadsheet showing the levels of sponsorship and the benefits of each level.

In addition to having an opportunity to connect with potential clients, sponsors may also have an 8’ x 4’ exhibitors’ space with a draped table, one chair, and access to an electrical outlet. Exhibit space is available starting at the “Bronze” sponsorship level, but space is limited. Please let us know at symposium@swanabeaverchapter.org if you would be interested in having an exhibit space at the event.
